The purpose of the Marine Fabricators Association (MFA) is to:
- establish standards of excellence for marine fabricators;
- provide resources and programs to marine fabricators;
- establish and maintain an identity for marine fabricators.

MFA is a division of the Industrial Fabrics Association International (IFAI).

An educational tool produced by the Marine Fabricators Association to assist boat owners in selecting the perfect top for their boat.

Don't miss the Boat Compliments of:
